The Den/ Nursery

This week The Den continued to embark upon Christmas magic with a wonder of different Christmas activities and Christmas crafts, making cards and calendars.

In school Nursery, we showcased our wonderful dancing and singing to all our adults, we have continued this Christmas joy by reading Dear Santa, wrapping presents, painting Christmas pictures and writing lists for Santa.

Reception

This week was a very important week in Reception as it was our showcase of The Wiggly Nativity. The children were fabulous on the stage. Their signing, dancing and acting was fantastic. All of the staff were incredible proud. In Literacy, we have been reading the story of One Snowy Night. The children have enjoyed exploring in our snow-inspired classrooms, making their own snow flakes. In Maths they have been learning about positional language and used teddies to explore this.

Year 1

We started our week off with a cold and frosty walk to the Rising Sun to enhance our geographical learning of a countryside; we then created a mind map and compared this with an African landscape. Further this week, we have continued to develop our mental maths of addition and subtraction using different models and strategies; as well as continuing to practice and enhance our independent writes about a variety of focus stimulus.

Year 2

This week in Year 2 we started the week with a brilliant Christmas performance - we hope that you enjoyed the show! We are so proud of everyone in KS1. In Literacy, we have been looking at our new story book and practising spellings of red and green words. In Maths, we have finished our unit of work on addition and subtraction. Well done Year 2!

HPPS DSL Team

If you are ever concerned about the safety or well-being of someone at our school, please talk to one of the schools Designated Safeguarding Leads.

Weekly Newsletter

Year 3

This week in Year 3 we were delighted to finally showcase our Christmas performance 'A child is born'. We have worked so hard to learn our lines and songs we couldn't wait to share them with you. In Literacy, we have completed our 'Warning Tale' writing. We have up-levelled and invented our own warning tales and included lots of writing and grammar features including inverted commas and fronted adverbials. In Maths, we have moved onto multiplication and division and began to recap and build upon our knowledge of multiples of 2s, 5s and 10s this week.

Year 4

This week in Year 4 we were thrilled to finally perform our Christmas nativity to you 'A child is born'. A great deal of time and effort went in to learning our lines and perfecting our performance and we were so excited to finally share it with you. I am sure you will agree it was certainly worth all the effort. In Literacy, we have been learning how to write instructions and wrote our own on how to catch a pesky reindeer who was loose in our school. In Maths, we have been multiplying 2 and 3 digit numbers as well as practising our times tables.

Year 5

Year 5 have explored a range of Christmas related Poetry this week, writing a response to the '12 days of Christmas' song and discussed how we would feel to receive those presents. Children have also come to an end of their Area and Perimeter topic in Maths and will continue to explore a range of topics as we head to the end of term. There has been lots of practice for our UPKS2 Christmas performance and we are so proud of the effort they have put in for this!

Year 6

This week in Year 6 we have been multiplying and dividing fractions. We will finish the unit of fractions next week. In Literacy, we have been creating detailed short burst character descriptions that showcase all the language features we know. We have been practising our Christmas performance and adding the last few finishing touches! We can't wait to share it with you and we hope you enjoy it!
