Reception: This week, Reception were immersed in our new story 'Aliens Love Underpants' after discovering underpants hanging in the classroom! We have worked hard to begin writing sentences to describe aliens and the underpants they so badly want to steal. Our teachers are so proud of how we are able to apply our phonic knowledge to our writing. We've enjoyed learning new paint dripping techniques in the studio and story telling skills in the theatre. In maths, we have revisited the number 5, gaining a deeper understanding of number bonds to 5. We've sang the song '5 little frogs' and even practiced each frog jumping off a log, one at a time.

Nursery: We have continued reading Shark in the Park with our Talk For Writing actions using our class story map. Children demonstrated their fantastic understanding of this story and began writing our own story maps. We have developed a fantastic imagination to begin to innovate aspects of our story for example Lion in the park. In maths, we applied our mathematical reasoning skills to match and sort objects and we also introduced careful counting to identify the correct number of objects up to 5. We have enjoyed developing art skills in the studio, developing finger dexterity to finger paint sea creatures.

At Hadrian Park, we celebrate the achievements of EVERYONE. Last term, we explored the achievements of women in history. This term, we have decided to explore the achievement's of men. Each year group has picked an individual that inspires them. We are going to learn about the individual and engage in a range of tasks to showcase our learning . Each class will create a short video explaining how their chosen individual shaped History today.

Next term, we will be celebrating the achievements of 'local' people or events. This will be called our 'Local' Story day. As a school, we have listened to our children's voice and decided to continue to host one history day per term. Moving forward, we have decided to ask our school councilors to get involved to help us gain a deeper understanding of our children's voice for next years themes.

Thank you,
HPPS Team
